

Should I take the ALEKS Assessment?

- I have no AP, IB or dual credit for math
 - I earned dual credit for MATH 1314, college algebra
 - I earned dual credit for MATH 1316, trigonometry
-

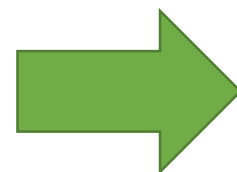

YES

- I made a 3 or better on AP calculus (AB or BC)
 - I earned a 6 or higher on the standard or further mathematics IB exam
 - I earned dual credit for MATH 2312, pre-calculus
-

NO

- I am waiting on AP/IB scores to come out
- I am waiting on A-level results to come out
