

**OPTIONS FOR ELECTRICAL ENGINEERING MAJOR GUIDED ELECTIVES  
(2018-2019)**

EE students may choose from 3 options to fulfill the required 9 hours of major guided electives:

1. **General Program**
2. **Microelectronics Concentration**
3. **Telecommunications Concentration**

Students pursuing the **General Program** take 9 semester hours from any other 4000 level Electrical Engineering course not on their degree plan.

Those pursuing a **Microelectronics Concentration** or **Telecommunications Concentration** must choose 3 from the appropriate list.
